GETS IT FIRST

Rescue Work From Department of Mines Finishes Two Weeks Work.

RESCUE CORPS OF EIGHT TRAINED MEN EFFECTED

First Kentucky Mines to Get These Demonstrations—Red Cross Corps.

Rescue Car No. 3, of the Department of Mines, United States Geological Survey, left Earlinton Saturday, after rounding out two full weeks here. During this time those in charge of the car have spent morning, afternoon and evening explaining and demonstrating, to all comers, the apparatus and the work of rescue and first aid to the injured, and in drilling numerous foremen and picked miners in the use of oxygen helmets and the work of first aid and rescue.

Several full days have been spent in the Arnold mine of the St. Bernard group, which was given over by the owners for the purpose, drilling the men in actual use of oxygen helmets for hours at a time in noxious atmosphere, created by the burning of sulphur. The eight Earlinton men, whose names follow, will receive certificates of competency for the rescue work, for having undergone fifteen hours or more of training in noxious atmosphere:

W. P. Jennings, Lawson Miles, W. R. Brasher, E. R. Barnett, Thos. Peyton, Hulon Maddox, Henry Harris and Hardin Tweedle.

These certificates will come from Washington, signed by the Director of the Geological Survey, Dr. J. A. Holmes. They will each also receive a "Rescue button," which will identify them as competent men for this work, should they be called to any mine disaster away from home. These men also stood a physical examination to prove their fitness to do rescue work under serious conditions.

One of the practical things that will come of the visit of Rescue Car No. 3 to Earlinton is the organization of a Red Cross Corps for first aid work, which will be done under direction of Dr. W. K. Nisbet, of the St. Bernard medical staff.

This work had been undertaken in a small way in the Earlinton group of mines before the coming of the Rescue Car. Red Cross boxes, containing first aid bandages and appliances, have, for the past year or two, been stationed at various places in these mines. Now the corps will be organized, after the special instruction given by the first aid expert on the Rescue Car, and will be ready for practical service when necessary. The mine operators here have given these government experts every facility to accomplish this work among their employees.

The car is in charge of R. Y. Williams, mining engineer, of Illinois. A. A. Sams, formerly assistant mine inspector for Indiana, demonstrates the oxygen helmets and other apparatus. G. T. Powell, of the Pennsylvania anthracite field, is the Red Cross representative and instructs in first aid work.

The car went Saturday to Providence, where the same line of work will be done for a period of perhaps ten days.

An interesting thing in this connection is that Earlinton is the first place in Kentucky to be visited by one of these Rescue Cars and the Earlinton men are the first to get the benefit of this valuable instruction.

MEETING OF DIRECTORS

Of Barnes, Cowand & Co. Held at Beaver Dam—Mr. Cowand Re-Elected Manager and Assistant Buyer of Earlinton Store.

A meeting of the directors of the firm of Barnes, Cowand & Co. was called at Beaver Dam, Ky., Friday afternoon, Feb. 17, at 1:30 p. m. H. D. Cowand attended with an inventory of the past year's business and was checked up by the directors and reported a prosperous year's business. Mr. Cowand was re-elected manager and assistant buyer for the firm of Barnes, Cowand & Co., Earlinton. Mr. Cowand certainly has made a success and made a profitable institution of the firm with which he is connected and we congratulate him. He was the promoter of the mammoth store of Barnes, Cowand & Co. in this city and has never tired from the idea of making this store one that the people of Earlinton and its surrounding country should be proud of.

Good luck for old Henry in the future.

Wallace Crenshaw and son James, of Keney Kan., are visiting the family of Jas. Crenshaw.

A HOME TREATMENT FOR LUNG TROUBLE

It is a recognized fact that fresh air, plenty of nourishing food and a correct constitutional treatment have done more to cure lung trouble and that weakened run down feeling, than all other forms of treatment combined.

A constitutional treatment, to meet all the necessary requirements, must not only kill and remove all the disease germs from the system, but at the same time it must increase the appetite, aid in digestion and assimilation of food, renovate and build up the nervous system and all parts of the body.

Germinal Remedy meets all these requirements and is producing some marvelous results.

If you have consumption in any form, blood disease, if you are troubled with ulcers or chronic sores, coughs, pains in the chest, if you have weak lungs and feel generally run down and weak, write the Ohio Medical Co., Box 95, Columbus, Ohio, and they will send you a full sized bottle of this medicine absolutely free, as a trial, if you will mention the name of this paper.

GOOD PIECE OF POLICE WORK

Assassin Who Probably Shot Wrong Person Walks Into Law's Clutches.

GUN FOUND IN HIS HOME WITH BARREL FULL OF SOFT MUD.

Irving Holt received a dangerous gun shot wound at the hands of a would be assassin Friday night about nine o'clock in a house on the banks of the creek west of the base-ball park, occupied by Riley McLearn. Holt and McLearn, with the latter's wife and a woman named Annie Bell, were playing a game of cards. The assassin took aim through a worn window shade at the rear of the house and fired. Circumstances support the theory that the charge was meant for the Bell woman, but that Holt probably leaned forward just as the trigger was pulled. He caught every shot in the load except one single shot that went through the shoulder of the Bell woman, who sat at his right. A felt wad was taken out of the wound, from under Holt's right shoulder blade and a number of shots which appeared to be either number four or five. The wounded were attended to in St. Bernard Hospital. Holt made no complaint during the operation and walked home after his wound was dressed. Answering a telephone call, Deputy R. N. Clark went to the scene of the shooting and escorted the wounded pair to the hospital. The gun was fired at close range and the shot made a wound about the size of a dollar, with a few scattering shot over a space not more than five inches in diameter. Dr. Johnson dressed the wounds.

Following a clue that Deputy Clark uncovered in his investigations, he and Deputy Marshall Hamby went to Hecla after two o'clock in the morning and visited Albert Beasley's house. Beasley was not at home but his bed had been occupied and his wife said he had been out early, had come in to bed and had gone again, she did not know where. Mr. Clark found a single barreled shot gun loaded and cocked, sitting in the corner by the empty bed. The gun had fresh mud in the end of the barrel and the shell in the breech was loaded with No. 5 shot. He took charge of the gun and left word that he wanted to see Beasley when he came home. One of the surprising things is that Beasley went to Mr. Clark's home Saturday morning while the latter was at break'ast. He was taken to the jail and a brief investigation was held before Judge Bennett, who sent the prisoner to the county jail at Madisonville, to await trial.

After Beasley was arrested the Bell woman was brought before Judge Bennett and statement, that, with the evidence produced by the officers, warrant

ed his being sent to jail. The woman admitted that they had been "friends" and that he had written threatening notes to some of her boarders. She said some one had thrown a brick through her window at Hecla the night before and that she had moved out because she was afraid to stay there. The participants in this affair are negroes.

CUMBERLAND TELEPHONE CO

Making Extensive Improvements and Repairs—Large Force of Men at Work.

A car load of material has been received at this station for the Cumberland telephone company and a large force of men are at work rebuilding lines, running new lines and putting in new phones. A great deal of this work is being done in the county. Under the efficient management of Manager B. C. Mitchell, this system has grown in favor steadily and the demand for telephone service is on the increase. The service at both Madisonville and Earlinton exchange is of the highest order and this makes satisfied customers and gets new ones.

Madisonville Notes

BY AILEEN DAVIS.

Calico Party.

Very clever and original in every detail was the entertainment tendered to the members of the Philathea Class on Friday evening at the home of Mr. and Mrs. Frank Ramsey, on North Main street, in the way of a "Calico Party." All the young ladies being bewitchingly garbed in calico gowns, while their escorts wore the calico ties made from a piece of the dress of his lady.

A most enjoyable evening was spent in playing all of the old-time games, guessing contests and music.

At a late hour the guests were invited into the dining room, where a "variety lunch" was served.

Those present were Misses Lelia, Lilly and Sudie Harris, Lola and Eva Bell, Hazel and Lucy Fawcett, Frances and Gertrude Overall, Inez and Frances Elgin, Pearl Carmack and Mrs. H. B. Sisk; Messrs Rufus Whittinghill, Montgomery Holman, Langley Hoffman, Jas. Soy, Willis Waddill, Torian Tate, Forest Myers, Harry Taliaferro, Gordon Gold, Basil and David Ramsey and Charlie Bourland.

Thursday Afternoon Literary Club.

The Thursday Afternoon Literary Club met at the home of Mrs. L. E. Ruby, on South Union street, Thursday, Feb. 17.

"The New South" was interestingly given by Mrs. Clyde Ruby. This being followed by a most excellent article on "The Colleges and Universities of Our Country," by Miss Hendricks. Mrs. Norris Gordon then beautifully sketched the pathetic story of "The Man Without a Country," which proved a fitting climax to this program that dealt with the "New South." After which a beautiful luncheon was served.

Good Luck Club.

The Good Luck Club was elaborately entertained on Wednesday afternoon at the home of Miss Elizabeth Nisbet, on West Arch street.

The house was artistically decorated in cut flowers and potted plants.

A most appetizing luncheon was served.

Her guests included Misses Lucy Fawcett, Frances Elgin, Sybil

Hart, Margaret and Louise McPherson, Agnes Bailey, Frances and Gertrude Overall, Lora and Eva Bell.

Misses Eleanor Dee Gordon and Isabelle Biddle were the honor guests of the club.

Valentine Dinner.

Mr. and Mrs. L. E. Ruby entertained on Tuesday evening at a beautifully appointed valentine dinner at their home on South Union street.

The rooms were prettily decorated in vases filled with cut flowers and ferns.

The place cards were comic valentines on which were inscribed verses of poetry concerning some personal joke pertaining to each individual.

Covers were laid for the following: Messrs. Walter Ruby, Lucian Ruby, McNary Hoffman, Messrs. and Mesdames Clyde Ruby and C. A. Morton and Mrs. R. S. Dulin, Jr., and Miss Florence Allyn.

Drop in our store during our Majestic Demonstration Week, February 20 to 25, and let us show you the Great and Grand Majestic Range is the best on earth. A Souvenir Set of Ware, worth \$8.00, given with every Majestic Range sold.

BOURLAND & MOORE.

Mrs. Frank Simms, of Hanson, spent Friday with her sister, Miss Bertha Parish, in this city.

Roy L. Wilson arrived in the city Friday from Marion to spend the week-end with his parents.

Don't fail to visit the "Kandy Kitchen" in Madisonville on East Center street, opposite the Hotel Madisonville, for the freshest of sweets.

Justin Green spent Sunday in Hopkinsville with friends.

Come and see the great cooking wonder at our store all next week. You have a chance to get a Souvenir Set of Ware Free. See large advertisement in this paper.

BOURLAND & MOORE.

Omer Oates, of Mortons Gap, was in the city Saturday attending the funeral of E. J. Ashby.

Get a Majestic Souvenir Set of Ware at Bourland & Moore's store during demonstration week, February 20 to 25.

ANNOUNCEMENTS

We are authorized to announce L. R. Ray as a candidate for re-election to represent Hopkins county in the lower house of the next General Assembly of Kentucky, subject to the action of the Democratic party.

We are authorized to announce Cass L. Walker as a candidate for Representative from Hopkins county in the lower house of the next General Assembly of Kentucky, subject to the action of the Democratic party.

We are authorized to announce Ed L. Young as a candidate to represent Hopkins county in the lower house of the next General Assembly of Kentucky, subject to the action of the Democratic party.

\$10,000,000 has been appropriated by Congress for purchase of the Appalachian and White Mountain forest reserve. This reserve takes in part of Kentucky.

San Francisco will hold the Panama Exposition in 1915 and it will not cost Uncle Sam anything. Takes these big, broad Westerners to do things with a lavish hand.

Another millionaire shows his patriotism. August Belmont has offered to give the United States Government six thoroughbred stallions, worth \$150,000, to improve breed of army mount.

The net operating revenue of

the express companies of this country for the year ending June, 30, 1909 was \$12,294,009. And the investment of the companies, in property and equipment, was \$22,313,575. That's making some profit on the investment, and amounts to a good argument in favor of the parcels post.

The Harriman Pacific railroad carried some 49,000,000 passengers in 1910 without killing a single one. The Western State Railway of France, owned by the Government, which killed eighty persons in six months, added twelve to its list last Tuesday. Who would have Government ownership in this country.

The known fire loss of the United States and Canada for the month of January was \$21,923,000. That much money would repair a lot of fires, put many dangerous wires in safe condition and clean up many a fire trap. It would also buy a great deal of effective fire fighting apparatus for unprotected towns and even build a few water systems for places that are dry as the desert.

The United States Steel Corporation has adopted the Earlington idea in the care of injured employees. An official of that

corporation says that in fixing the compensation of employees injured in accidents the matter of paramount importance is the fact that the employee has been injured and should be cared for. A New York Editor says: "This is the humane way to attack the problem and the rule is economically sound as well."

It is fortunate for a real merchant if his competitor is a live advertiser—who, now and then, ever tried to "set the pace for him." It makes store-making a task for men!

A store must make it pay you for reading its ads. If it did not, the cost of its advertising would be thrown away. For if the ad pays the store—not otherwise.

Accidents will happen, but the best regulated families keep Dr. Thomas' Eclectic Oil for such emergencies. It subdues the pain and heals the hurts.

How Old People May Prolong Their Lives

At advanced age the organs act more slowly than in youth. Circulation becomes poor, blood thin and watery, appetite fitful, and digestion weak. This condition leaves the system open to disease such as Coughs, Colds, Grippe, Pneumonia, Rheumatism, etc.

VINOL is the greatest health creator and body builder we know of for old people, as it supplies the very elements needed to rebuild wasting tissue and replace weakness with strength.

HERE IS THE PROOF
A case is recorded in Albany, N. Y., of a woman who felt she was breaking down by age and was doomed to the weak and feeble condition of old people. She had no strength and the slightest exertion tired her, but VINOL made her well and strong, and she states that she feels ten years younger than she did before taking VINOL.

We ask every aged person in this neighborhood to try a bottle of VINOL with the understanding that we will return their money if it does not prove beneficial.

INSPECT SANITARY CONDITION

Health Officers and Local Physicians Should Begin Clean-up Campaign.

Typhoid fever has made its appearance in our vicinity and while no great degree of alarm is felt still we should realize that if the present condition which causes the disease at this early season of the year is allowed to continue unmolested we are liable to have a serious epidemic in the spring and summer. Some of the alleys and back yards are unsanitary and filthy and refuse has been allowed to accumulate. Out houses need cleaning in many instances and all of them need lime. Now is the time to attend to such matters, in the spring it may be too late. It's up to you Mr. Citizen and Mr. Taxpayer to clean up your property in order to safeguard yourself and family against typhoid fever and other diseases this spring and summer.

Thirty Years Together.

Thirty years of association—think of it. How the merit of a good thing stands out in that time—or the worthlessness of a bad one. So there's no guesswork in this evidence of Thos. Ariss, Concord, Mich., who writes: "I have used Dr. King's New Discovery for 30 years, and its the best cough and cold cure I ever used." Once it finds entrance in a home you can't pry it out. Many families have used it for forty years. It's the most infallible throat and lung medicine on earth. Unequaled for lagrippe, asthma, hay-fever, croup, quinsy or sore lungs. Price 50c, \$1.00. Trial bottle free. Guaranteed by all druggists.

Society Happenings

Miss Atkinson Entertains.

Miss Carrie Atkinson, of this city, charmingly entertained on Saturday afternoon at "Bridge" in honor of Mrs. Paul Banks attractive guests, Misses Virginia Lockett and Mary Cunningham, of Henderson.

The guests prizes were sterling silver Bridge pencils.

The prize was won by Miss Eugenia Johnson, of Henderson, an exquisite hand painted Jonquil Vase.

Her guests included Mesdames, Paul Banks, Geo. Newbold, Oly-

de Ruby, E. L. Young and Frank Rash, Misses Mary Cunningham, Virginia Lockett, Elizabeth Victory, Mary Ruby Morton and Eugenia Johnson.

Miss Victory Entertains.

Misses Mary Cunningham and Virginia Lockett, of Henderson, were the guests of honor at a beautifully appointed "Bridge" party on Thursday afternoon at the home of Miss Elizabeth Victory in this city.

Miss Lockett made the highest score and was presented a beautiful book handsomely bound. The guest prize a immense floral arrangement of red carnations and ferns was given to Miss Cunningham.

An elegant menu consisting of courses was served at the conclusion of the games.

Among those present were: Mesdames H. H. Holeman, R. S. Dolin, H. F. Head, Geo. Newbold, Paul Banks, Misses Carrie Atkinson, Mary Ruby Morton, Virginia Lockett and Mary Cunningham.

The East End Card Club.

The East End Card Club met with Mrs. George Newbold last Friday afternoon. The guests were Misses Lockett and Cunningham, of Henderson, and Miss Atkinson. Mrs. C. B. Johnson made the best score. The salad course, served by the hostess, was most delicious. The quarterly drawing also took place. The next meeting will be held at the residence of Mrs. Kline.

Preparing for the New Reservoir.

A force of men are at work digging a ditch and laying pipe on Main street for the new reservoir. This work will be pushed as rapidly as possible. When this is completed Earlington will have an abundant water supply and the best fire protection of any city of its size in the state.

Card of Thanks.

To the Good People of Earlington and Hopkins County:

THE GREAT AND GRAND MAJESTIC RANGE

THE RANGE WITH A REPUTATION MADE IN ALL SIZES AND STYLES.

Set of Ware FREE

If you call at our store during our Majestic Demonstration Week and allow us to show you the many advantages and superior qualities of the Great and Majestic Range, and will purchase one at the regular price, we will give you Free the beautiful and useful Souvenir Set of Ware illustrated in this advertisement. This ware is made to match the quality of the Majestic Ranges, and we know all ladies will see the beauty and utility of this set, especially the first three pieces, which are entirely new and cannot be had alone by purchase, except at a very high price. The prices of the Majestic Ranges are the same, but we give the set FREE with each Majestic Range bought during the demonstration week only.

REASON WHY THE GREAT MAJESTIC YOU SHOULD BUY.

- 1st. It has the reputation of being the best range money can buy.
- 2d. It not only has the reputation but IS the best range made, and we

MAJESTIC NEVER-BURN COOKER, STEAMER, CULLENDER AND DRAINER—The Perforated Cooker, shown in center, has small feet which admits water at the bottom. Nothing can burn. Food can be lifted out of main vessel (shown on left), at the same time draining off all the water. The Steamer or Cullender shown on right can be used as an ordinary Cullender. It also fits on top of main vessel, and is used as a steamer.

THE MAJESTIC Extra Heavy Stamped Iron Marbleized Kettle, complete with cover and handle that holds on cover.

THE MAJESTIC 18-oz. All Copper Nickel-plated Tea Kettle. Handsomely nickel-plated outside, tinned on inside.

THE MAJESTIC 11-oz. All Copper Nickel-plated Coffee Pot. Handsomely nickel-plated outside and tinned on inside.

THE MAJESTIC Marbleized Enamel Pudding Pan. Made specially fine for the Majestic Set.

THE MAJESTIC Patent Never-burn Wired Dripping Pan. Size of pan 14 1/2 in. x 20 in. Made specially for the Majestic Set.

TWO MAJESTIC Patent Never-burn Wired Dripping Pans. Size of pan 9 in. x 12 in. Made specially for the Majestic Set.

will prove this to you if you will let us

3d. It is constructed of malleable iron, material you can't beat, and of Charcoal iron, material that resists rust 300 percent greater than steel, is riveted together air tight. No heat escapes or cold air enters the range, thus uses very little fuel to do perfect work.

4th. The reservoir alone is worth the price of range over any other reservoir made. It boils fifteen gallons of water; is heated like a tea kettle, with pocket against left hand lining, and is movable and sets on a frame, hence cannot wear out. When water gets too hot it can be moved away from fire.

Majestic ranges use less fuel; heats more water—and heat it hotter; costs practically nothing for repairs; lasts three times as long; bakes better; easier to keep clean and gives better satisfaction than any other range on the market. If you know positively that the above statements are true, wouldn't you buy a Majestic at once?

Come in Demonstration Week and We'll Prove It to You.
